EXCHANGOR
CHEQUER PLUS

STREAMLINE YOUR BUSINESS WITH A SECURE CASH RECYCLING SOLUTION

Despite the rise of alternative options, cash remains a popular form of payment that must be processed safely, quickly, and efficiently. Deposita's Exchangor Chequer Plus holds the answer to doing so.

With the rising costs of cash handling, retailers, wholesalers, and banks face challenges managing large amounts of currency daily. Our Exchangor Chequer Plus is a high-speed note and coin recycling solution that maintains accuracy.

The trend towards self-service convenience is also increasing and significantly affecting the entertainment, retail, wholesale, and banking sectors. It's leading to a need for reduced staff and a smaller office and bank branch footprint.

By using the Exchangor Chequer Plus, you will improve overall cash management efficiency, reduce costs, and benefit from a capacity of 17 000 ATM-quality notes and 30 000 coins.

SAFEGUARD YOUR FUTURE WITH INDUSTRY-LEADING
CASH-RECYCLING INNOVATION.

EXCHANGOR CHEQUER PLUS

- Coin capacity of 30 000 across eight hoppers with a dispensing rate of 50 coins per second
- Internationally CEN-graded safes and locks available
